2. Services, equipment, items or devices that are experimental or not authorized by the State or Federal authority ; and
3. Smartphones and associated monthly service line or data cost.

SERVICE REQUIREMENTS:

- A. Assistive Technology, recommended by the team that costs up to \$1000 per item does not require a formal assessment.
- B. Assistive technology devices of more than \$1000 must be recommended by an independent evaluation of the participant's assistive technology needs.
- C. The evaluation must include the development of a list of all devices, supplies, software, equipment, product systems and/or waiver services (including a combination of any of the elements listed) that would be most effective to meet the need(s) of the participant. The least expensive option from the list must be selected for inclusion on the Person-Centered Plan unless an explanation of why the chosen option is the most cost effective.
- D. When services are furnished to individuals returning to the community from a Medicaid institutional setting, the costs of such services are billed to Medicaid as an administrative cost.
- E. Prior to accessing DDA funding for this service, all other available and appropriate funding sources, including those offered by Maryland Medicaid State Plan, Division of Rehabilitation Services ("DORS"), State Department of Education, and Department of Human Services, must be explored and exhausted to the extent applicable. These efforts must be documented in the participant's file.
- F. To the extent that any listed services are covered under the Medicaid State Plan, the services under the waiver would be limited to additional services not otherwise covered under the Medicaid State Plan, but consistent with waiver objectives of avoiding institutionalization.

Alternative Service Title: **BEHAVIORAL SUPPORT SERVICES**

Service Specification	
HCBS Taxonomy	
Category 1:	Sub-Category 1:
10: Other Mental Health and Behavioral Services	10040 behavior support
Service Definition (Scope):	
A. Behavioral Support Services are an array of services to assist participants who without such supports are experiencing, or are likely to experience, difficulty at home or in the community as a result of behavioral, social, or emotional issues. These services seek to help understand a participant's challenging behavior and its function is to develop a Behavior Plan with the primary aim of enhancing the participant's independence and inclusion in their community.	
B. Behavioral Support Services includes: <ol style="list-style-type: none"> Behavioral Assessment - identifies a participant's challenging behaviors by collecting and reviewing relevant data, discussing the information with the participant's support team, and developing a Behavior Plan that best addresses the function of the behavior, if needed; Behavioral Consultation - services that oversee, monitor, and modify the Behavior Plan; and Brief Support Implementation Services - time limited service to provide direct assistance and modeling to families, agency staff, and caregivers so they can independently implement the Behavior Plan. 	

State:	
Effective Date	

SERVICE REQUIREMENT:

A. Behavioral Assessment:

1. Is based on the principles of person-centered thinking, a comprehensive Functional Behavioral Assessment (FBA), and supporting data;
2. Is performed by a qualified clinician;
3. Requires development of specific hypotheses for the challenging behavior, a description of the challenging behaviors in behavioral terms, to include topography, frequency, duration, intensity/severity, and variability/cyclical of the behaviors;
4. Must be based on a collection of current specific behavioral data; and
5. Includes the following:
 - a. An onsite observation of the interactions between the participant and his/her caregiver(s) in multiple settings and observation of the implementation of existing programs;
 - b. An environmental assessment of all primary environments;
 - c. A medical assessment including a list of all medications including those specifically prescribed to modify challenging behaviors, the rationale for prescribing each medication, and the potential side effects of each medication;
 - d. A participant's history based upon the records and interviews with the participant and with the people important to/for the person (e.g. parents, caregivers, vocational staff, etc.);
 - e. Record reviews and interviews recording the history of the challenging behaviors and attempts to modify it;
 - f. Recommendations, after discussion of the results within the participant's interdisciplinary team, for strategies to be developed in a Behavior Plan; and
 - g. Development of the Behavior Plan.

B. Behavioral Consultation services include:

1. Recommendations for subsequent professional evaluation services (e.g., Psychiatric, Neurological, Psychopharmacological, etc.), not identified in the Behavioral Assessment, that are deemed necessary and pertinent to the behavioral challenges;
2. Consultation, subsequent to the development of the Behavioral Plan which may include speaking with the participant's Psychiatrists and other medical/therapeutic practitioners;
3. Developing, writing, presenting, and monitoring the strategies for working with the participant and his or her caregivers;
4. Providing ongoing education on recommendations, strategies, and next steps to the participant's support network (i.e. caregiver(s), family members, agency staff, etc.) regarding the structure of the current environment, activities, and ways to communicate with and support the participant;
5. Developing, presenting, and providing ongoing education on recommendations, strategies, and next steps to ensure that the participant is able to continue to participate in all pertinent environments (i.e. home, day program, job, and community) to optimize community inclusion in the least restrictive environment;
6. Ongoing assessment of progress in all pertinent environments against identified goals;
7. Preparing written progress notes on the participant's goals identified in the Behavior Plan at a minimum include the following information:
 - a. Assessment of behavioral supports in the environment;
 - b. Progress notes detailing the specific Behavior Plan interventions and outcomes for the participant;
 - c. Data, trend analysis and graphs to detail progress on target behaviors identified in a Behavioral Plan; and
 - d. Recommendations;
8. Development and updates to the Behavioral Plan as required by regulations; and
9. Monitoring and ongoing assessment of the implementation of the Behavioral Plan based on the following:
 - a. At least monthly for the first six months; and

State:	
Effective Date	

b. At least quarterly after the first six months or as dictated by progress against identified goals.

C. Brief Support Implementation Services includes:

1. Onsite execution and modeling of identified behavioral support strategies;
2. Timely semi-structured written feedback to the clinicians on the provision and effectiveness of the Behavior Plan and strategies;
3. Participation in onsite meetings or instructional sessions with the participant's support network regarding the recommendations, strategies, and next steps identified in the Behavior Plan;
4. Brief Support Implementation Services cannot be duplicative of other services being provided (e.g. 1:1 supports); and
5. The Brief Support Implementation Services staff is required to be onsite with the caregiver in order to model the implementation of identified strategies to be utilized in the Behavior Plan.

D. Prior to accessing DDA funding for this service, all other available and appropriate funding sources, including to those offered by Maryland Medicaid State Plan, Division of Rehabilitation Services ("DORS"), State Department of Education, and Department of Human Services, must be explored and exhausted to the extent applicable. These efforts must be documented in the participant's file.

E. To the extent that any listed services are covered under the Medicaid State Plan, the services under the waiver would be limited to additional services not otherwise covered under the Medicaid State Plan, but consistent with waiver objectives of avoiding institutionalization.

F. Behavioral Assessment is reimbursed based on a milestone for a completed assessment.

G. The Behavior Plan is reimbursed based on a milestone for a completed plan.

H. Behavioral Support Services may not be provided at the same time as the direct provision of Community Living – Enhanced Supports or Respite Care Services.

I. Children have access to any medically necessary preventive, diagnostic, and treatment services under Medicaid's Early and Periodic Screening, Diagnostic and Treatment (EPSDT) services to help meet children's health and developmental needs. This includes age appropriate medical, dental, vision, and hearing screening services and diagnostic and treatment services to correct or ameliorate identified conditions. Supports provided by this waiver service is to improve and maintain the ability of the child to remain in and engage in community activities.

Specify applicable (if any) limits on the amount, frequency, or duration of this service:

1. Behavioral Assessment is limited to one per year unless otherwise approved by DDA.
2. Behavioral Consultation and Brief Support Implementation Services service hours are based on assessed needs, supporting data, plan implementation, and authorization from the DDA.
3. Behavioral Consultation and Brief Support Implementation Services service hours are limited to 8 hours per day.

SERVICE REQUIREMENTS:

- A. Community Development Services can be provided in a variety of settings in the community.
- B. Staffing is based on level of service need.
- C. Community Development Services are separate and distinct from residential services. Participants may return home or to the provider operated site during time-limited periods of the day due to lack of accessible restrooms and public areas to support personal care, health, emotional, and behavioral needs as indicated in the Person-Centered Plan. Residential services cannot be billed during these times.
- D. Personal care assistance may not comprise the entirety of the service.
- E. Under self-directing services, the following applies:
 - 1. Participant or their designated representative self-directing services are considered the employer of record;
 - 2. Participant or their designated representative is responsible for supervising, training, and determining the frequency of services and supervision of their direct service workers;
 - 3. Community Development Services includes the cost associated with staff training such as First Aid and CPR;
 - 4. Costs associated with training can occur no more than 180 days in advance of waiver enrollment unless otherwise authorized by the DDA. In these situations, the cost are billed to Medicaid as an administrative cost; and
 - 5. Community Development Services staff, with the exception of legal guardians and relatives, must be compensated over-time pay as per the Fair Labor Standards Act from the self-directed budget.
- F. Under the self-directed services delivery model, this service includes funding for staff training, benefits and leave time subject to the following requirements:
 - 1. The benefits and leave time which are requested by the participant are: (a) within applicable reasonable and customary standards as established by DDA policy; or (b) required for the participant's compliance, as the employer of record, with applicable federal, State, or local laws;
 - 2. Any benefit and leave time offered by the participant must comply with any and all applicable federal, State, or local employment laws; and
 - 3. All funded benefits and leave time shall be included in and be part of the participant's annual budget.
 - 4. There is no restriction on the participant funding additional benefits or leave time (or both) from the participant's personal funds. However, such additional funds will not be included in the participant's annual budget and will not be paid in any way by the DDA. The participant shall be responsible for ensuring any additional benefits or leave time that the participant personally funds comply with any and all applicable laws.
- G. From July 1, 2018 through June 30, 2019, under the traditional service delivery model, a participant's Person-Centered Plan may include a mix of employment and day related waiver services such as Day Habilitation, Career Exploration, Employment Discovery and Customization, Supported Employment, and Employment Services provided on different days.
- H. Service may be provided in groups of no more than four (4) participants, all of whom have similar interests and goals outlined in their Person-Centered Plan.
- I. Transportation to and from and within this service is included within the Community Development Services. The mode of transportation which achieves the least costly, and most appropriate, means of transportation for the participant with priority given to the use of public transportation when appropriate.

State:	
Effective Date	

Transportation will be provided or arranged by the licensed provider or self-directed participant and funded through the rate system or the Community Development Services self-directed service budget.

- J. An individualized schedule will be used to provide an estimate of what the participant will do and where the participant will spend their time when in this service. Updates should be made as needed to meet the changing needs, desires and circumstances of the participant. The individualized schedule will be based on a Person-Centered Plan that clearly outlines how this time would be used. A legally responsible individual relative (who is not a spouse) and relative of a participant in Self-Directed Services may be paid to provide this service in accordance with the applicable requirements set forth in Appendix C-2.
- K. A legally responsible individual (who is not a spouse) and relatives of a participant in Self-Directed Services may be paid to provide this service, in accordance with the applicable requirements set forth in Appendix C-2.
- L. From July 1, 2018 through June 30, 2019, Community Development Services service may include professional services (i.e. nursing services) not otherwise available under the individual's private health insurance (if applicable), the Medicaid State Plan, or through other resources. These services will transition to the new stand alone nursing services.
- M. Prior to accessing DDA funding for this service, all other available and appropriate funding sources, including but not limited to those offered by Maryland's State Plan, Division of Rehabilitation Services ("DORS"), State Department of Education, and Department of Human Services, must be explored and exhausted to the extent applicable. These efforts must be documented in the individual's file.
- N. From July 1, 2018 through June 30, 2019, Community Development Services are not available:
 - 1. On the same day a participant is receiving Career Exploration, Day Habilitation, Employment Discovery and Customization, Medical Day Care, or Supported Employment services; and
 - 2. At the same time as the direct provision of Community Living—Enhanced Supports, Community Living-Group Homes, Personal Supports, Respite Care Services, Shared Living, Supported Living, or Transportation services.
- O. Effective July 1, 2019, Community Development Services are not available at the same time as the direct provision of Career Exploration, Community Living—Enhanced Supports, Community Living-Group Homes, Day Habilitation, Employment Discovery and Customization, Employment Services, Medical Day Care, Nurse Consultation, Personal Supports, Respite Care Services, Shared Living, Supported Employment, Supported Living, or Transportation services.
- P. To the extent any listed services are covered under the Medicaid State Plan, the services under the waiver will be limited to additional services not otherwise covered under the Medicaid State Plan, but consistent with waiver objectives of avoiding institutionalization.

Specify applicable (if any) limits on the amount, frequency, or duration of this service:

- 1. Community Development Services are limited to 40 hours per week.
- 2. Community Development Services may not exceed a maximum of eight (8) hours per day (including other Employment Services, Supported Employment, Career Exploration~~Transitional Employment~~, Employment Discovery and Customization and Community Development Services).

- C. Job Development is support for a participant to obtain an individual job in a competitive integrated employment setting in the general workforce, including:
1. Customized employment - a flexible process designed to personalize the employment relationship between a job candidate and an employer in a way that meets the needs of both. It is based on an individualized match between the strengths, conditions, and interests of a job candidate and the identified business needs of an employer; and
 2. Self-employment - including exploration of how a participant's interests, skills and abilities might be suited for the development of business ownership.
- D. Ongoing Job Supports are supports in learning and completing job tasks either when beginning a new job, after a promotion, or after a significant change in duties or circumstances and individualized supports a participant may need to successfully maintain their job. Ongoing Job Supports include:
1. Job coaching (e.g. job tasks analysis and adaptations, self-management strategies, natural and workplace supports facilitation, and fading assistance), needed to complete job tasks like setting up workstations;
 2. The facilitation of natural supports in the work place;
 3. Systematic instruction and other learning strategies based on the participant's learning style and needs;
 4. Travel training to independently get to the job; and
 5. Personal care assistance, behavioral supports, transportation, and delegated nursing tasks to support the employment activity.
- E. Follow Along Supports:
1. Occurs after the participant has transitioned into their job.
 2. Ensure the participant has the assistance necessary to maintain their jobs; and
 3. Include at least two face to face contacts with the participant in the course of the month.
- F. Self-Employment Development Supports include assistance in the development of a business and marketing plan, including potential sources of business financing and other assistance in developing and launching a business.
- G. Co-Worker Employment Supports are time-limited supports provided by the employer to assist the participant, upon employment, with extended orientation and training beyond what is typically provided for an employee.

SERVICE REQUIREMENTS:

- A. Personal care assistance, behavioral supports, and delegated nursing tasks may not comprise the entirety of the service.
- B. Discovery includes three distinct milestones. It is expected that milestones would be completed within 90 days of service approval. The completion of each milestone is flexible and will be considered in conjunction with the participant's unique circumstances.
- C. Each discovery milestone must be completed as per DDA regulations and policy with evidence of completion of the required activities before being paid.
- B.D. Discovery activities shall be reimbursed based on the following milestones:
1. Milestone #1 - includes home visit, survey of the community near the individual's home, record reviews for pertinent job experience, education, and assessments.
 2. Milestone #2 – includes observation of the job seeker in a minimum of three (3) community-based situations in order to identify skills, interest, and learning style.

State:	
Effective Date	

3. Milestone #3 – includes discovery profile, picture and/or written resume, and job development plan from discovery meeting.

~~C.E.~~ Job Development is reimbursed based on an hourly basis.

~~D.F.~~ Ongoing Job Supports is reimbursed based on an hourly basis and includes a “fading plan”, when appropriate, that notes the anticipated number of support hours needed.

~~E.G.~~ Follow Along Supports are reimbursed as one monthly payment.

~~F.H.~~ Self-Employment Development Supports shall be reimbursed based on one milestone for a business and marketing plan.

~~G.I.~~ Employment Services are provided by staff who has a DDA approved certification in employment.

~~H.J.~~ Participants that are promoted with new job tasks or changes positions or circumstances, can receive Ongoing Job Supports.

~~I.K.~~ Co-Worker Employment Supports are not intended to replace the support provider’s work, rather, it is an additional mentoring/support role for which coworkers could receive additional compensation above what they receive in the course of their typical job responsibilities. The payment of this compensation is at the discretion of the employer.

~~J.L.~~ A participant’s Person-Centered Plan may include a mix of employment and day services such as Day Habilitation, Community Development Services, Co-Worker Supports, and Career Exploration~~Transitional Employment~~ provided at different times.

~~K.M.~~ Employment Services does not include:

1. Volunteering, apprenticeships, or internships unless it is part of the discovery process and time limited; and
2. Payment for supervision, training, supports and adaptations typically available to other workers without disabilities filling similar positions.

~~L.N.~~ Medicaid funds may not be used to defray the expenses associated with starting up or operating a business.

~~M.O.~~ Transportation to and from and within the activities will be provided or arranged by the provider and funded through the rate system except for follow along supports. The provider shall use the mode of transportation which achieves the least costly, and most appropriate, means of transportation for the participant with priority given to the use of public transportation when appropriate.

~~N.P.~~ Employment Services are not available at the same time as the direct provision of Behavioral Support Services, Career Exploration, Community Development Services, Day Habilitation, Medical Day Care, Nurse Consultation, Personal Supports, Respite Care Services, or Transportation (except during follow along supports) services.

~~O.Q.~~ Division of Rehabilitation Services (DORS) service must be accessed first if the service the participant needs is provided and available by DORS and funding is authorized.

~~P.R.~~ Documentation must be maintained in the file of each participant receiving this service that the service is not available under a program funded under section 110 of the Rehabilitation Act of 1973 or the IDEA

- B. Family and Peer Mentoring Supports services encourage participants and their family members to share their successful strategies and experiences in navigating a broad range of community resources beyond those offered through the waiver with other waiver participants and their families.

SERVICE REQUIREMENTS:

- A. Family and Peer Mentoring Supports are provided from an experienced peer mentor, parent or other family member to a peer, another parent or family caregiver who is the primary unpaid support to the participant.
- B. Family and Peer Mentoring Supports include supports to siblings from others with shared experiences.
- C. Family and Peer Mentoring Supports include facilitation of parent or family member "matches" and follow-up support to assure the matched relationship meets peer expectations.
- D. Family and Peer Mentoring Supports do not provide targeted case management services to a waiver participant; peer mentoring does not include determination of level of care, functional or financial eligibility for services or person-centered service planning.
- E. Family and Peer Mentoring Supports may not duplicate, replace, or supplant Coordination of Community Service or Support Broker Services. This service, limited in nature, is aimed at providing support and advice based on lived experience of a family member or self-advocate.
- F. Support needs for peer mentoring are identified in the participant's Person-Centered Plan.
- G. The mentor can be an individual with developmental disabilities or the member of a family that includes an individual with developmental disabilities.
- H. Mentors cannot mentor their own family members.
- I. Prior to accessing DDA funding for this service, all other available and appropriate funding sources, including those offered by Maryland Medicaid State Plan, Division of Rehabilitation Services ("DORS"), State Department of Education, and Department of Human Services, must be explored and exhausted to the extent applicable. Service (Name): NURSE CONSULTATION

Service Specification	
HCBS Taxonomy	
Category 1:	Sub-Category 1:
05: Nursing	05020 skilled nursing
Service Definition (Scope):	
<p>A. Nurse Consultation services provide participants, who are able to perform and train on self-medication and treatment administration, a licensed Registered Nurse who: (1) reviews information about the participant's health; (2) based on this review, provides recommendations to the participant on how to have these needs met in the community; and (3) in collaboration with the participant, develops care protocols for the participant to use when the participant trains staff.</p> <p>B. In the event the person is not able to perform and train on self-medication and treatment administration but all health needs, including medication and treatment administration, are performed gratuitously by unpaid caregivers, the Nurse Consultant: (1) reviews information about the participant's health needs; (2) based on this review, provides recommendations to the participant and his or her gratuitous caregivers on how to have these needs met in the community; and (3) in collaboration with the participant and gratuitous caregivers, develops care protocols for the participant and gratuitous care givers that describes the health services to be delivered gratuitously.</p> <p>C. At a minimum, Nurse Consultation services must include:</p> <ol style="list-style-type: none"> 1. Performance of a Comprehensive Nursing Assessment to identify health issues and assist the participant, and his or her gratuitous caregivers, to understand the participant's health needs and risks in order to develop health protocols that guide the participant and or gratuitous care provider in performing health tasks; 2. Completion of the Medication Administration Screening Tool, both on an annual basis and when the Nurse Consultant is notified of any changes in the cognitive status of the participant, to determine the level of support needed for medication administration; 3. Review of the Health Risk Screening Tool (HRST) at Level 3 or above, both on an annual basis and when any significant changes in the health of the participant occurs, to assist the participant to understand his or her health needs and to develop recommendations for obtaining service in the community; 4. Recommendations to the participant, and his or her gratuitous caregivers, for accessing health services that are available in the community and other community resources. 	

State:	
Effective Date	

- D. In addition, Nurse Consultation services may also include, as appropriate, to address the participant's needs:
1. Reviewing and developing communication systems the participant may need to communicate effectively with all health care providers working to ensure the health of the participant (licensed and unlicensed) and the community to ensure community awareness of the lifesaving medical equipment in use by the participant in the event of an emergency or power loss.
 2. Developing emergency protocols, as needed, to guide the participant and his or her staff in responding to an emergency, including accessing emergency services available in the community.

SERVICE REQUIREMENTS:

- A. To qualify for this service, the participant must:
1. Be an adult who is 21 years of age;
 2. Live in his or her own home or the family home;
 3. Receive gratuitous (unpaid) provision of care to meet health needs or be assessed as able to perform and train on treatments of a routine nature and self-medications; and
 4. Employ his/her own staff.
- B. This service cannot be provided in a DDA-licensed residential or day site.
- C. A participant may qualify for this service if he or she is either: (1) enrolled in the Self-Directed Services Program; or (2) receiving Supported Living services from a DDA-licensed provider in his or her own home or family home. However, the services the participant receives under either the Self-Directed Services or Supported Living services model must be exempt from delegation of nursing tasks as identified above in subsection A's qualifications as per COMAR 10.27.11.01B related to gratuitous health services.
- D. A participant cannot qualify for or receive this service if the participant is in a placement where nursing services are provided as part of the services, including a hospital, a nursing or rehabilitation facility or when Rare and Expensive Case Management (REM) is providing staff for the provision of nursing and health services.
- E. Nurse Consultation services must include a documented review of the participant's health needs, including comprehensive nursing assessment and protocols, no more frequently than every three (3) months. All resulting revisions to protocols and recommendations completed must be documented by the RN.
- F. If the participant was identified in previous assessments to be able to meet criteria for Nurse Consultation but is found during the administration of the Medication Administration Screening Tool to no longer meet criteria (i.e., is unable to self-medicate), and care needs are not able to be met gratuitously, then the DDA will determine if the participant's health care needs can be met through Nurse Health Case Management and Delegation, another nursing-related waiver service.
- G. A relative, legal guardian, or legally responsible person, as defined in Appendix C-2, may not be paid to provide Nurse Consultation services unless approved by the DDA.
- H. Nurse Consultation services may be provided before the effective date of the participant's eligibility for waiver services for participants interested in the Self-Directed Service Delivery model based on preauthorization from the DDA and paid as an administrative service.
- I. Prior to accessing DDA funding for this service, all other available and appropriate funding sources, including but not limited to those offered by the Maryland Medicaid State Plan, Division of Rehabilitation Services ("DORS"), State Department of Education, and Department of Human Services, must be explored and exhausted to the extent applicable. These efforts must be documented in the participant's file.

Service (Name): NURSE CASE MANAGEMENT AND DELEGATION SERVICES

Service Specification	
HCBS Taxonomy	
Category 1:	Sub-Category 1:
05: Nursing	05020 skilled nursing
Service Definition (Scope):	
<p>A. Nurse Case Management and Delegation Services provides participants a licensed Registered Nurse (the “RN Case Manager & Delegating Nurse” or “RN CM/DN”) who: (1) provides health case management services (as defined below); and (2) delegates nursing tasks for an unlicensed individual to perform acts that may otherwise be performed only by a RN or Licensed Practical Nurse (LPN), as appropriate and in accordance with applicable regulations.</p> <p>B. At a minimum, Nurse Health Case Management services includes:</p> <ol style="list-style-type: none"> 1. Performance of a comprehensive nursing assessment of the participant identifying his or her health, medical appointment, and nursing needs; 2. Review of the Health Risk Screening Tool (HRST) at Level 3 or above, both on an annual basis and when any significant changes in the health of the participant occurs, to assist the participant to understand his or her health needs and to develop a plan for obtaining health services in the community; 3. Completion of the Medication Administration Screening Tool, both on an annual basis and when any significant changes in the health of the participant occurs, to determine the level of support needed for medication administration; 4. Review the participant's health services and supports to promote quality client outcomes and cost effective care according to the Maryland Board of Nursing regulations; 5. Providing recommendations to the participant, caregivers under delegation of the RN, and the team for health care services that are available in the community; 6. Communicating with the participant and his or her person-centered planning team members in order that the team can coordinate services and supports to meet the participant's health needs; 7. Develop health care plans and protocols, as needed, that direct the paid direct support staff in the provision of health services to be performed that include (a) administration of medications, (b) performance of medical and nursing treatments, (c) activities of daily living (ADL) performance, and (d) identifying and intervening in an emergency; 8. Completion of training, supervision, evaluation and remediation on all health services provided under the delegation of the RN by the paid staff as identified in the Nursing Care Plans; 9. Monitoring services delivered under delegation of the RN by direct support staff for compliance with the Nursing Care Plan; and 10. Monitoring health data obtained by direct support staff under the delegation of the RN and as directed in the Nursing Care Plan. 	

State:	
Effective Date	

C. Delegation of Nursing Tasks services includes:

1. Assessment of (a) the needs and abilities of the participant; (b) direct care staff performance of delegated nursing tasks; and (c) the environment of service or care delivery;
2. Delegation of the performance of nursing tasks (*i.e.*, acts of a licensed nurse that include medication administration and treatment administration) to unlicensed direct care staff that may be Certified Medication Technicians (“CMT”), Certified Nursing Assistant (“CNA”), or other Unlicensed Assistive Personnel (“UAP”) in accordance with applicable Maryland Board of Nursing regulations;
3. Training, supervision, and remediation of unlicensed direct care staff who provide health services under the delegation of the RN (e.g., administration of medication, treatments, and Activities of Daily Living (ADL) care, health monitoring) as required by applicable Maryland Board of Nursing regulations; and
4. Provision of On-Call service, to paid direct support staff that are performing delegated nursing tasks, while delegation is occurring, for up to 24 hours per day, 365 days per year as required by applicable Maryland Board of Nursing regulations.

D. In provision of Nurse Health Case Management and Delegation Services, the RN CM/DN will collaborate with the DDA licensed provider agency or Self-Directed Service participant in the development of policies and procedures required for delegation of any nursing tasks in accordance with COMAR 10.27.11.

SERVICE REQUIREMENTS:

A. A participant may qualify for this service if he or she is either: (1) receiving services via the Traditional Services delivery model at a DDA-licensed community provider site, including residential, day, or employment type services; (2) receiving Personal Support services; or (3) enrolled in the Self-Directed Services Program.

B. A participant cannot qualify for or receive this service if the participant is in a placement where nursing services are provided as part of the services, including a hospital, a nursing or rehabilitation facility or when Rare and Expensive Case Management (REM) is providing staff for the provision of nursing and health services.

C. In order to access services, all of the following criteria must be met:

1. Participant’s health conditions must be determined by the RN CM/DN to meet applicable delegation criteria (*i.e.* be chronic, stable, routine, predictable and uncomplicated) and nursing tasks are assessed to be eligible for delegation as per the Maryland Board of Nursing regulations at COMAR 10.27.11.
2. Participant must require delegation as assessed by the RN as being unable to perform his or her own care. This includes the use of the Medication Administration Screening Tool to determine the need for delegation of medication.
3. The RN CM/DN has determined that all tasks and skills required to be performed or assisted with are delegable and the interval of the RN CM/DN’s assessment, training, and supervision allow for the safe delivery of delegated nursing services in accordance with Maryland Board of Nursing regulations, including but not limited to COMAR 10.27.11.03, 10.27.11.04, 10.27.11.05.

D. Under this service: RN CM/DN must assess the participant and his or her staff, the environment, and care plan at least once every 45 days, or more often as indicated by the participant’s health condition, in accordance with the Maryland Board of Nursing regulations, including but not limited to COMAR 10.27.11. All resulting revisions, recommendations, remediation and training completed must be documented by the RN CM/DN.

E. The RN CM/DN may delegate performance of nursing tasks to the participant’s appropriately trained and/or certified paid caregivers which may include spouse, parent, legal guardian, siblings, adult children, and licensed provider agency staff. When the delegation is for medication administration, the paid caregiver

must be a Certified Medication Technician in accordance with Maryland Board of Nursing requirements.

- F. A relative, legal guardian, or legally responsible person, as defined in Appendix C-2, may not be paid to provide Nurse Case Management and Delegation Services unless approved by the DDA.
- G. Prior to accessing DDA funding for this service, all other available and appropriate funding sources, including but not limited to those offered by Maryland Medicaid State Plan, Division of Rehabilitation Services (“DORS”), State Department of Education, and Department of Human Services, must be explored and exhausted to the extent applicable. These efforts must be documented in the participant’s file.
- H. Nurse Case Management and Delegations Services are not available to participants receiving supports in other Nursing services including Nurse Consultation, and Nurse Health Case Management.
- I. Nurse Case Management and Delegation services are not available at the same time as the direct provision of Employment Discovery and Customization, Medical Day Care, or Transportation services.
- J. To the extent that any listed services are covered under the Medicaid State Plan, the services under the waiver would be limited to additional services as allowed and not otherwise covered under the Medicaid State Plan, but consistent with waiver objectives of avoiding institutionalization.
- K. Children have access to any medically necessary preventive, diagnostic, and treatment services under Medicaid’s Early and Periodic Screening, Diagnostic and Treatment (EPSDT) services to help meet children’s health and developmental needs. This includes age appropriate medical, dental, vision, and hearing screening services and diagnostic and treatment services to correct or ameliorate identified conditions. Supports provided by this waiver service is to improve and maintain the ability of the child to remain in and engage in community activities.

Specify applicable (if any) limits on the amount, frequency, or duration of this service:

The frequency of assessment is minimally every 45 days, but may be more frequent based on the MBON 10.27.11 regulation and the prudent nursing judgment of the delegating RN in meeting conditions for delegation. This is a person centered assessment and evaluation by the RN that determines duration and frequency of each assessment.

 4. On nights and weekends.
- G. Under self-directing services, the following applies:
1. Participant, legal guardian, or his/her designated representative self-directing services are considered the employer of record;
 2. Participant, legal guardian, or his/her r designated representative is responsible for supervising, training, and determining the frequency of services and supervision of their direct service workers;
 3. Personal Support Services include the costs associated with staff training such as First Aid and CPR;
 4. Costs associated with training can occur no more than 180 days in advance of waiver enrollment unless otherwise authorized by the DDA. In these situations, the cost are billed to Medicaid as an administrative cost; and
 5. Personal Support Services staff, with the exception of legal guardians and relatives, must be compensated over-time pay, as per the Fair Labor Standards Act from the self-directed budget.
- H. From July 1, 2018 through June 30, 2019, transportation costs associated with the provision of personal supports outside the participant's home will be covered under the stand alone transportation services and billed separately.
- I. Beginning July 2019, ~~transportation costs associated with the provision of services will be covered within the new rate or self-directed budget.~~ transportation to and from and within this service is included within the service or self-directed budget. Transportation will be provided or arranged by the provider or self-directing participant and funded through the rate system. The provider shall use the mode of transportation which achieves the least costly, and most appropriate, means of transportation for the individual with priority given to the use of public transportation when appropriate.
- H.J. Personal care assistance services must be provided in combination with home skills development or

community integration and engagement skills development and may not comprise the entirety of the service.

~~I.K.~~ A legally responsible individual (who is not a spouse) and relative of a participant may be paid to provide this service in accordance with the applicable requirements set forth in Appendix C-2.

~~J.L.~~ From July 1, 2018 through June 30, 2019, Personal Support services may include professional services (i.e. nursing services) not otherwise available under the individual's private health insurance (if applicable), the Medicaid State Plan, or through other resources. These services will transition to the new stand alone nursing services and behavioral support services.

~~K.M.~~ Prior to accessing DDA funding for this service, all other available and appropriate funding sources, including those offered by Maryland Medicaid State Plan, Division of Rehabilitation Services (“DORS”), State Department of Education, and Department of Human Services, must be explored and exhausted to the extent applicable. These efforts must be documented in the participant’s file.

~~L.N.~~ To the extent that any listed services are covered under the Medicaid State Plan, the services under the waiver would be limited to additional services not otherwise covered under the Medicaid State Plan, but consistent with waiver objectives of avoiding institutionalization.

~~M.O.~~ Personal Supports services are not available at the same time as the direct provision of Career Exploration, Community Development Services, Community Living-Enhanced Supports, Community Living-Group Homes, Day Habilitation, Employment Discovery and Customization, Employment Services, Medical Day Care, Respite Care Services, Supported Employment, Supported Living, or Transportation services.

~~N.P.~~ Children have access to any medically necessary preventive, diagnostic, and treatment services under Medicaid’s Early and Periodic Screening, Diagnostic and Treatment (EPSDT) services to help meet children’s health and developmental needs. This includes age appropriate medical, dental, vision, and hearing screening services and diagnostic and treatment services to correct or ameliorate identified conditions. Supports provided by this waiver service is to improve and maintain the ability of the child to remain in and engage in community activities.

Specify applicable (if any) limits on the amount, frequency, or duration of this service:

1. Legal guardians and relatives may not be paid for greater than 40-hours per week for services unless otherwise approved by the DDA.
2. Personal Support services are limited to 82 hours per week unless otherwise preauthorized by the DDA.

Service (Name): REMOTE SUPPORT SERVICES

Service Specification	
HCBS Taxonomy	
Category 1:	Sub-Category 1:
Table 14: Equipment, Technology, and Modifications Subcategories	14031 equipment and technology
Service Definition (Scope):	
<p>A. Remote Support Services provide oversight and monitoring within the participant's home through an off-site electronic support system in order to reduce or replace the amount of staffing a participant needs.</p> <p><u>B. The purpose of Remote Support Services is to support the participant to exercise greater independence over their lives. It is integrated into the participant's overall support system and reduces the amount of staff support a person uses in their home while ensuring health and welfare.</u></p>	

State:	
Effective Date	

B.C. Remote Support Service includes:

1. Electronic support system installation, repair, maintenance, and back-up system;
2. Training and technical assistance for the participant and his or her support network;
3. Off-site system monitoring staff; and
4. Stand-by intervention staff for notifying emergency personnel such as police, fire, and back-up support staff.

SERVICE REQUIREMENTS:

A. Before a participant may request this service, the participant's team must conduct a preliminary assessment for appropriateness in ensuring the health and welfare of the all individuals in the residence. The preliminary assessment includes consideration of the participant's goals, level of support needs, behavioral challenges, health risk, benefits, risk, and other residents in the home. The preliminary assessment must be documented in the participant's Person-Centered Plan.

B. Remote Support Services do not supplant supports for community integration and membership as identified in the Person-Centered Plan.

B.C. Remote Support Services are only available for individuals aged 18 or older and must be authorized by the DDA.

C.D. Each individual residing in the residence, his or her legal guardians, and teams must be made aware of both the benefits and risks of the Remote Support Service. Informed consent must be obtained for all individuals in the residence.

D.E. This service must be designed and implemented to ensure the need for independence and privacy of the participant who receives services in their own home.

E.F. Remote Support Services must be done in real time, by awake staff at a monitoring base using one or more of the following:

1. Live two way communication with the participant being monitored;
2. Motion sensing systems;
3. Radio frequency identification;
4. Web-based monitoring systems; and
5. Other devices approved by the DDA.

G. Systems may include live feeds, sensors (such as infrared, motion, doors, windows, stove, water, and pressure pads); cameras; help pendants; call buttons; and remote monitoring equipment.

H. Cameras and sensors are typically located in common areas. Other areas on the home will be considered based on assessed need; privacy and right considerations; and informed consent. For example, a person living alone in their own home may choose to use a Remote Support Services method in other areas of their home to support their Person-Centered Plan outcomes.

F.I. Use of the system may be restricted to certain hours as indicated in the participant's Person-Centered Plan.

G.J. To be reimbursed for operating an electronic support system, a provider must meet the following requirements:

1. The system to be installed must be preauthorized by the DDA.
2. The provider must have written policies in effect, which detail how the participant's privacy and the system's security will be maintained in use of the system, comply with the State's right and privacy

State:

protection requirements, and are approved by the DDA.

3. The electronic support system and on-site response system must be designed and implemented to ensure the health and welfare of the participant(s) and achieve this outcome in a cost neutral manner.

H.K. Time limited direct supports from the existing services are available during transition to remote monitoring.

I.L. Remote Support Services are not available to participants receiving support services in Community Living-Enhanced Supports or Shared Living services.

J.M. Remote Electronic Monitoring Support Sservices should be implemented in a cost neutral manner with exception due to unique circumstances.

driver rehabilitation specialist. The prescription for vehicle modifications applies only to the year/make/model of the vehicle specified on the Vehicle Equipment and Adaptation Prescription Agreement (VEAPA).

- C. The vehicle owner is responsible for:
1. The maintenance and upkeep of the vehicle; and
 2. Purchasing insurance on vehicle modifications. The program will not correct or replace vehicle modifications provided under the program that have been damaged or destroyed in an accident.
- D. Vehicle modifications are only authorized to vehicles meeting safety standards once modified.
- E. The Program cannot provide assistance with modifications on vehicles not registered under the participant or legally responsible parent of a minor or other primary caretaker. This includes leased vehicles.
- F. Vehicle modification funds cannot be used to purchase vehicles for participants, their families or legal guardians; however, this service can be used to fund the portion of a new or used vehicle purchase that relates to the cost of accessibility adaptations. In order to fund these types of adaptations, a clear breakdown of purchase price versus adaptation is required.
- G. Vehicle modifications may not be provided in day or employment services provider owned vehicles.
- H. Prior to accessing DDA funding for this service, all other available and appropriate funding sources, including those offered by Maryland Medicaid State Plan, Division of Rehabilitation Services (“DORS”), State Department of Education, and Department of Human Services, must be explored and exhausted to the extent applicable. These efforts must be documented in the participant’s file.
- I. To the extent that any listed services are covered under the State plan, the services under the waiver would be limited to additional services not otherwise covered under the State plan, but consistent with waiver objectives of avoiding institutionalization.

Specify applicable (if any) limits on the amount, frequency, or duration of this service:

Legal Guardian

For purposes of this waiver, a legal guardian is defined as an individual or entity who has obtained a valid court order stating that the individual is the legal guardian of the person of the participant pursuant to Maryland Annotated Code's Family Law or Estates & Trusts Articles.

(a) SERVICES THAT MAY BE PROVIDED BY LEGALLY RESPONSIBLE PERSONS

The State makes payment to a legally responsible individual, who is appropriately qualified, for providing extraordinary care for the following services: Community Development Services or Personal Supports.

(b) CIRCUMSTANCES WHEN PAYMENT MAY BE MADE

Participant enrolled in the Self-Directed Services Delivery Model (as provided in Appendix E) or Traditional Service Delivery Model may use their legally responsible person to provide services in the following circumstances, as documented in the participant's Person-Centered Plan (PCP):

1. The proposed provider is the choice of the participant, which is supported by the team;
2. There is a lack of qualified providers to meet the participants needs;
3. When a relative or spouse is not also serving as the participant's Support Broker or designated representative directing services on behalf of the participant;
4. The legally responsible person provides no more than 40-hours per week of the service that the DDA approves the legally responsible person to provide; and
5. The legally responsible person has the unique ability to meet the needs of the participant (e.g. has special skills or training, like nursing license).

As provided in subsection 3 above, when a legally responsible person, legal guardian, or relative is the Support Broker or designated representative who exercises decision making authority for the participant, then other legal guardians and relatives are not allowed to provide direct care services.

(c) SAFEGUARDS

To ensure the use of a legally responsible person to provide services is in the best interest of the participant, the following criteria must be met and documented in the participant's Person-Centered Plan (PCP) by the CCS:

1. Choice of the legally responsible person to provide waiver services truly reflects the participant's wishes and desires;
2. The provision of services by the legally responsible person is in the best interests of the participant and his or her family;
3. The provision of services by the legally responsible person is appropriate and based on the participant's identified support needs;
4. The services provided by the legally responsible person will increase the participant's independence and community integration;
5. There are documented steps in the PCP that will be taken to expand the participant's circle of support so that he or she is able to maintain and improve his or her health, safety, independence, and level of community integration on an ongoing basis should the legally responsible person acting in the capacity of employee be no longer be available;
6. A Supportive Decision Making (SDM) agreement is established that identifies the people (beyond the legally responsible person, relatives, spouse, and legal guardian) who will

 - b) DDA Application to Provide Behavioral Supports and Services; and
 - c) Provider Agreement to Conditions of Participation - A document that lists regulatory protection and health requirements, and other policy requirements that prospective providers must agree and comply with to be approved by the DDA as a qualified service provider in the supports waivers;
 4. Provider Checklist Form – A checklist form which applicants must use to ensure that they have included all required information in their applications; and
 5. Frequently Anticipated Questions (FAQs) and Answers - A document which provides quick access to general applicant information.
- Interested community agencies and other providers can submit the DDA application and required attachments at any time. For services that require a DDA license, applicants that meet requirements are then referred to the Office of Health Care Quality to obtain the license.

Quality Improvement: Qualified Providers

As a distinct component of the State's quality improvement strategy, provide information in the following fields to detail the State's methods for discovery and remediation.

a. Methods for Discovery: Qualified Providers

The state demonstrates that it has designed and implemented an adequate system for assuring that all waiver services are provided by qualified providers.

i. Sub-Assurances:

a. Sub-Assurance: The State verifies that providers initially and continually meet required licensure and/or certification standards and adhere to other standards prior to their furnishing waiver services.

i. Performance Measures

For each performance measure the State will use to assess compliance with the statutory assurance complete the following. Where possible, include numerator/denominator.

Performance Measure:	QP-PM1 Number and percent of newly enrolled waiver providers who meet required licensure, regulatory and applicable waiver standards prior to service provision. Numerator = number of newly enrolled waiver providers who meet required licensure, regulatory and applicable waiver standards prior to service provision. Denominator = number of newly enrolled Community Supports Pathways Waiver licensed provider reviewed.

b. Methods for Remediation/Fixing Individual Problems

- i Describe the State's method for addressing individual problems as they are discovered. Include information regarding responsible parties and GENERAL methods for problem correction. In addition, provide information on the methods used by the State to document these items.*

State:	
Effective Date	

Individuals self-directing their services may request assistance from the Advocacy Specialist or DDA Self-Direction lead staff. DDA staff will document encounters.

DDA's Provider Relations staff provides technical assistance and support on an on-going basis to licensed and approved providers and will address specific remediation issues. Based on the identified issues, a variety of remediation strategies may be used including conference call, letter, in person meeting, and training. These remediation efforts will be documented in the provider's file.

Appendix C-5: Home and Community-Based Settings

Explain how residential and non-residential settings in this waiver comply with federal HCB Settings requirements at 42 CFR 441.301(c)(4)-(5) and associated CMS guidance. Include:

1. Description of the settings and how they meet federal HCB Settings requirements, at the time of submission and in the future.
2. Description of the means by which the state Medicaid agency ascertains that all waiver settings meet federal HCB Setting requirements, at the time of this submission and ongoing.

The Community Pathways Waiver services include various employment, meaningful day, and support services. New services including Housing Support Services, Supported Living, Remote [Monitoring/Support Services](#), Nursing, and Employment Services have been added to support community integration, engagement, and independence. [The State incorporated the federal home and community-based setting requirements into the Annotated Code of Maryland Regulations \(COMAR\) 10.09.36.03-1 Conditions for Participation — Home and Community-Based Settings.](#) which notes: “Effective January 1, 2018, to be enrolled as a provider of services authorized under §§1915(c) or 1915(i) of the Social Security Act, the provider shall comply with the provisions of §§D—F of this regulation and 42 CFR 441.301(c)(4).” and includes specific provider requirements. (Reference: <http://www.dsd.state.md.us/comar/comarhtml/10/10.09.36.03-1.htm>) The Department is adopting new regulations which include the HCB Settings requirements and compliance for all new providers and compliance by March 2022 or sooner for current providers.

The Community Pathways Waiver Services definitions have been revised or newly written to comply with the HCB Settings requirements. Waiver services are provided in the community or the individual's own home with the exception of the following services for which are site based services:

State:	
Effective Date	

~~Day Habilitation services are provided at provider operated sites and in the community. An individualized schedule will be used to provide an estimate of community activities the participant will be supported in and where the participant will spend their time when in this service. The individualized schedule will be based on the participant's preferences and the Person-Centered Plan~~

~~Career Exploration Transitional Employment include facility based services are provided at provider operated sites. The services is are meant to be time limited and participants must have an employment goal within their Person-Centered Plan that outlines how they will transition to community integrated employment (such as participating in discovery and job development).~~

~~Medical Day Care services are provided at provider operated sites and in the community. The service includes supports with participating in various community activities.~~

~~Respite Care Services can be provided in a variety of settings including the participant's home, a community setting, a Youth Camp certified by the DepartmentDHMH, or a site licensed by the Developmental Disabilities AdministrationDDA. The purpose of the services are for short term relief of the primary caregivers from their daily care giving responsibilities, while providing the participants with new opportunities, experiences, and facilitates self-determination~~

~~Community Living—Group Home and Community Living – Enhanced Supports are-is a residential habilitative services provided at a provider operated site. These settings are generally four-bedroom family homes in residential settings. The service description contains information related to the HCB Settings requirements including the provider must ensure that the home and community-based setting in which the services are provided comply with all applicable federal, State, and local law and regulation, including, but not limited to, 42 C.F.R. § 441.301(c)(4), as amended. Services may be provided to no more than four (4) individuals (including the participant) in one home unless approved by the DDA~~

~~As per Maryland's State Transition Plan (STP) current providers have until March 2022 to come into full compliance with the HCB Settings requirements. Additional details related to the STP and remediation strategies are noted in Appendix A—Attachment #2 Home and Community Based Settings Waiver Transition Plan.~~

~~All new providers must comply with the HCB settings requirement prior to enrollment as a new waiver service provider and ongoing. As part of the application process to become a Medicaid provider under the Community Pathways Waiver, the DDA will review and assess for compliance with specific staff, service, and license requirements. Prior to final approval and Medicaid provider enrollment, the DDA will conduct site visits for site based services to confirm compliance with the HCB settings requirements prior to enrollment.~~

~~As per Annotated Code of Maryland Regulations (COMAR) 10.09.36.03-1 Conditions for Participation — Home and Community-Based Settings, any modification of the rights or conditions under §§D and E of this regulation shall be supported by a specific assessed need and justified in the person-centered services plan in accordance with 42 CFR 441.301(c)(2)(xiii).~~

~~Ongoing assessment is part of the annual person-centered service planning and provider performance reviews. Coordinators of Community Services assess participants' service setting for compliance with HCBS settings requirements. DDA staff assess provider performance and ongoing compliance.~~
